About Mi Kids Back on Track 23g Grant

The MI Kids Back on Track grant funds (MCL388.1623g) will support programs provided before school, during school, and after school. These funds are designed to;

- address unfinished learning
- get students to grade-level academic standards
- provide additional academic assistance to students at risk of falling behind their peers
- provide additional behavioral assistance to students.
- help high school students prepare for postsecondary education with optional college classes and vocational career center attendance.

Participation

Students will receive services based on demonstrated academic and behavioral need. If you believe a K-12 Reading Community School student would benefit from academic and behavioral support, please contact the building principal.
